

Notes:  
 All connectors are from ConXall.  
 Check ConXall literature for pin numbering configuration.  
 the "RC3000F-Andrew 2.4m Mobile Mount Interconnect Cabling Schedule" document provides the mfg p/n's for jacketed cabling and conxall connectors.

REVISION HISTORY:  
 Rev A released 26 June 2002 JFR  
 Rev B Changed part numbers to follow production, added more labling, converted Motor/Brake Cabling to single cable, added buck diodes to brakes. additional notes
